

TERM 2 - HOME & SITE BASED LEARNING PROGRAM

Dear parents and caregivers,

The start of term 2 will bring a new chapter in education as schools provide a home and school-based learning program. At Enfield Primary our staff have worked very hard to develop a learning program that you can implement with your child at home and that will form the basis of the teaching and learning at school.

Below is a QUICK START guide to get you up and running on day one of term two, whether your child is at school or learning from home. There will also be an information booklet that will be emailed to you that will contain more detailed information.

Learning at Home:

- All *Home Learning* materials, resources and information can be accessed through our school website: www.enfieldps.sa.edu.au
- The weekly learning programs will be emailed out by class teachers and made available via our school website.
- Paper based materials will be posted home. Do not use them over the holiday period as they are resources designed to be part of the week 1&2 learning programs.
- Teachers will email and or post out copies of all login details for the learning websites students need to access.

During week 1, your child's class teacher, Front Office staff and or other key members of staff will contact you to check-in and ensure you have all the information you need and that you have access to the learning program and materials.

Students attending school:

- Due to predicted low student numbers, classes have been combined and learning planned accordingly.
- Monday, Week 1: When the morning bell rings students to go to...

	Teachers/ Classes	Meeting Spot
Junior Primary 1	Ms McClaren/ Ms Di Giovanni, Ms Sparnon	Usual spot – yellow unit Will be directed by the teachers
	Ms Fidler	Usual spot – JP Playground
Junior Primary 2	Ms George, Ms Dawidowski	Line up along the wall next to the mural
Primary 1	Ms Clarke/ Ms Cookesley, Ms Woolford, Ms Charatsis	Meet outside Ms Woolford's classroom, under the veranda
Primary 2	Ms Wood, Ms Hankinson	Usual spot – under the veranda, outside the classrooms

- Teachers are planning in teams and have time across the week to deliver the face-to-face teaching as well as spend time contacting & checking in with students learning at home.
- SSOs continue to provide support and targeted intervention for students attending school.

We really appreciate your support and patience as we move into this new model and know that we are learning how to operate this way right alongside you.

Changes may need to happen and as we receive and enact further COVID-19 updates and guidelines from the Department for Education and the government. If this occurs we will, of course, keep you informed by sending home information and updates via email, Skoolbag and Facebook.

The staff at Enfield Primary School wish you and your families a safe holiday and look forward with reconnecting with you again next term.

Kind regards,

Bec Knight
Principal
