IMPORTANT INFO

Please Note: *There are no changes to our bookings and cancellation policy.*

Dear Parent and Caregivers,

Our Vacation Care service will operate during the school holiday period from Monday 12th April to Friday 23rd April, between the hours from 7am – 6pm and only for students currently enrolled @ Enfield Primary/Oshc.

The following changes have been made in conjunction with the holiday program:

- Again, limited excursions; with onsite incursions and home days.
- Drop off and pick-up procedure; parents/caregivers **must sign** in via the **QR code** which is located by the entrance doors of oshc and **sign your child in/out using the Electronic iPad**. New passwords have been given- if you did not receive or require one please speak with the Director.
- A maximum number of 25 -30 children/bookings a day; this is to keep within the social distancing guidelines.
- The centre will be cleaned daily from 6pm, once the children have left, in readiness for the next day. This is to ensure that best hygiene practices are adhered to.
- As per Illness policy; if your child(ren) or anyone from your immediate family is unwell, please keep them home. We may ask for a medical clearance before they can return to care.
- It is normal protocol for educators and children to practise good hygiene, however, we will continue to implement thorough practises and procedures and monitor children when going to the toilet, after playing outside and prior to eating.

We have removed some restrictions that were put in place last school holiday period and we are pleased to be moving forward in a COVID-safe way.

All enrolment forms must be submitted by 6pm, Thursday 1st April 2021.

BEHAVIOUR

The service collaboratively, educators and children foster positive behaviour for learning. Children are put on a step for each subsequent inappropriate / poor choice:

We respect and care about your child and work very hard to ensure their wellbeing, and for our service to be a safe and happy environment for all who attend. The children are reminded regularly that they are to cooperate with OSHC educators and follow instructions and requests promptly and without argument.

Please help us by reinforcing our expectations to your child.

External suspension from the service will occur when all other avenues of communication and support have been made over a period of time, and/or a result of the following:
