

ENFIELD PRIMARY SCHOOL

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Personal devices (including mobile phones and smartwatches) are handed into the class teacher to be stored in a locked drawer/ cupboard. In their absence the phones will be stored in the Front Office until the end of the day.

If the student does not comply

Misuse of mobile phones or personal devices may result in disciplinary action, including time-out, or confiscation of devices. Confiscated devices will be taken to the front office for secure storage and parent contacted. Confiscated devices will remain in the front office, securely stored, until they are returned to a parent.

Where there is a repeat of misuse or refusal to follow reasonable instruction to hand in a device when asked, we will refer to the school's *ICT & Device User Agreement* and *Student ICT & Mobile Device Code of Conduct* and behaviour management policy which may include further steps such as admin time out, internal suspension or suspension.
